Inspiring Christmas
Program Given by R. C. School

The auditorium of the Raymond Consolidated School never looked lovelier than on Wed. Night when the students presented their annual Christmas program. Christmas trees banked each side of the choir at the base of the beautifully lighted stage. The choir was composed of students from the fourth to the ninth grades inclusive. After a prelude of Christmas Chimes

the choir, dressed in white with red chair capes, entered from behind the snow covered trees. As the familiar carols of the season were sung, scenes of the birth of our Saviour and the visit of the angels, shepherds, and wise men to the Manger were depicted on the stage. The silence attested to the fact that the audience was rapt with feeling throughout the whole program.

Parents and friends of the school are indebted to Miss Carruth and the other teachers who so tirelessly worked to make the Christmas program one of the most effective which the school has ever sponsored.
